Our Medical Services

Qualified Nurse

Our team of certified and experienced nurses provides professional medical care at your doorstep. They assist with medication administration, wound care, intravenous therapy, and other medical procedures, ensuring that your loved ones receive the best possible care at home.

Aid Nurse

Our aid nurses assist with daily activities, basic health monitoring, and offer support to individuals recovering from illness or surgery. They work closely with our qualified nurses to ensure comprehensive care and attention to every detail.

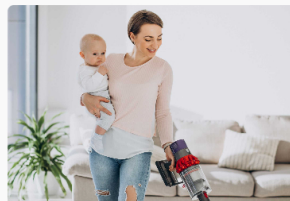

Patient Attendants

Our trained patient attendants are available to assist with daily tasks such as mobility, personal hygiene, and meal preparation. They are compassionate caregivers who ensure that patients are comfortable and well cared for in their own homes.

Specialist Dr Physiotherapist

Expert physiotherapists here to help with conditions like Parkinson's, brain and spinal tumors, GBS, multiple sclerosis, vestibular issues, neuropathy, stroke, head, and spinal injuries. We offer personalized care to ease pain, improve movement, and help you recover faster.

Baby Sitter

Caring and experienced babysitters providing reliable in-home childcare, ensuring your little ones are safe, entertained, and well taken care of while you're away. Peace of mind for parents, fun and comfort for kids!

In-Home Injection & Drip

Safe and easy in-home injection and IV drip service by certified healthcare professionals, providing you with care and comfort without the need to leave your home.

Medical Lab

Comprehensive and accurate medical lab testing services, offering a wide range of diagnostic tests

OT Technician

Skilled OT technicians providing expert assistance during surgeries, ensuring all equipment is

Ambulance

Fast and reliable ambulance services, equipped with advanced medical care and staffed by trained

to support your healthcare needs. Fast, reliable results with expert analysis to help guide your treatment plan.

prepared and maintained for safe and smooth operations. We support the surgical team to deliver the highest standard of care.

professionals. We provide prompt response for emergencies and safe transportation to hospitals, ensuring immediate care when it matters most.

About Al-Shifa Medicare

Al-Shifa Medicare is a trusted provider of private home healthcare services, offering personalized care in the comfort of your home. Our skilled team of healthcare professionals is available 24/7, ensuring you receive the highest level of care whenever you need it. Whether it's post-surgical care, wound management, or ongoing health monitoring, we are committed to helping you recover and maintain your well-being.

We offer a range of services including nursing care, physiotherapy, elderly care, and medication management. Our focus is on delivering compassionate, reliable care tailored to the unique needs of each individual.

At Al-Shifa Medicare, we prioritize the health and comfort of our clients, ensuring peace of mind for families and individuals alike. We work closely with doctors to create personalized care plans that support recovery and improve quality of life.
